

The background of the cover is a vibrant, cartoonish ocean scene. At the top left, a yellow sun is partially visible behind a blue sky. The water is a light blue with stylized white waves. In the bottom left, there's a brown sandy beach. A green hill is visible in the top right. The title 'ocean counting' is centered within a large white circle with a thick black border. The word 'ocean' is in a teal, bubbly font, and 'counting' is in a bright green, bubbly font. Below the title, the range '0-20' is written in a blue, hand-drawn font. Three large, white numbers are overlaid on the illustrations: '2' on the pink octopus, '1' on the orange and white clownfish, and '3' on the yellow seahorse. The octopus is on the left, the clownfish is in the center, and the seahorse is on the right. All three animals are smiling and have simple, friendly expressions.

This is a set of OCEAN animals, numbered 0-20, to use for early learners - preschool, pre-K and Kindergarten. Large pieces for little hands. Animals included are: octopus, clown fish, jellyfish, seahorse, dolphin, sea turtle, crab, shark, sea star, ray, grey whale, lobster, hermit crab, eel, manatee, puffer fish, clam, sand dollar, coral, marlin and squid.

Print pages on cardstock, laminate for longer use, and cut out animals. Use for number sequencing, number matching (print 2 copies), ocean animal matching, recognition and vocabulary. Make up your own games to suit your teaching goals.

I add FREE items often. Follow on TpT and Pinterest to get them as soon as they are listed.
